

Philippines, India move closer to start work on a PTA, says Marcos Jr

New Delhi

India and the Philippines are taking concrete steps towards launching formal negotiations for a Preferential Trade Agreement (PTA), Philippines President Ferdinand Romualdez Marcos Jr said on Wednesday.

Addressing the 'India-Philippines CEO Roundtable Meeting', organised by FICCI, here, President Marcos emphasised that the Philippines and India see the PTA as a strategic platform to harness their shared strengths and elevate their economic partnership.

"We are working to find common ground to make the PTA happen as quickly as possible. We have found ways to quicken the process with strong support from both government and business chambers, we are taking concrete steps towards launching formal negotiations," he said, according to a release issued by FICCI.

Marcos also stated that the government has taken a slew of measures to attract more Indian investments by ensuring ease of doing business in the Philippines.

VALUED PARTNERSHIP

"These reforms show our commitment to create a truly enabling environment for investors, including our valued partners in India. We are encouraged by the growing momentum in our bilateral trade, which reached \$3.3 billion in 2024-2025 and there is a scope to achieve exponential growth," he added.

He further said that the Philippines Department of Trade and Industry will work with Indian counterparts to soon convene the meeting of Joint Working Group on trade and investment.

Piyush Goyal, Minister of Commerce & Industry, said, "This is one partnership where we should only aim for exponential growth and not be satisfied with incremental growth at all. Let us work together and collaborate in

areas like healthcare, pharmaceuticals information of reference. "As we move to
